RE: Form I-129 Petition for a Nonimmigrant Worker — H-1B Specialty Occupation

Petitioner	Calderon Ridge Robotics, Inc.
Beneficiary	Nikhil Arjun Baranwal
Position	Controls Systems Engineer II
Requested action	Change of status, cap-subject; registration selection no. REG-FY27-8842190
Requested validity	October 1, 2026 through September 30, 2029

Dear Adjudicating Officer:

This office represents Calderon Ridge Robotics, Inc. ("Calderon Ridge" or "the petitioner"), which respectfully submits the enclosed Form I-129 and H Classification Supplement on behalf of Mr. Nikhil Arjun Baranwal. The petitioner asks that Mr. Baranwal be classified as an H-1B specialty occupation worker for a three-year period beginning October 1, 2026.

1. THE PETITIONER

Calderon Ridge Robotics, Inc. is a Delaware corporation formed in 2014 with its principal place of business at 2100 Kesterly Drive, Ashfield, OH 44903. The company designs, integrates, and commissions industrial motion-control and machine-vision systems for food processing, packaging, and light-assembly plants. As of the most recent quarter the company employs 71 people, 34 of whom are engineers, and reported gross revenue of \$28.4 million for fiscal year 2025. The petitioner's Federal Employer Identification Number is 47-3319052. Corporate formation documents, the IRS notice of EIN assignment, the current premises lease, the most recent quarterly wage report, and an organizational chart are enclosed at Tab F.

2. THE PROFFERED POSITION

The petitioner offers Mr. Baranwal the position of Controls Systems Engineer II in its

Automation Engineering group. The position is responsible for the design, simulation, programming, and commissioning of multi-axis servo motion control and safety-rated control architectures for the petitioner's customer installations. A full statement of duties, with the percentage of working time allocated to each, appears in the petitioner's letter of support at Tab B, and the formal position description and the petitioner's written hiring standard for the role appear at Tab C.

The petitioner requires, and has always required, a bachelor's degree or higher in Mechatronics Engineering, Electrical Engineering, Control Systems Engineering, Robotics Engineering, or a closely related engineering specialty for this position. This is not a preference; it is a documented condition of employment set out in the petitioner's engineering hiring standard, reproduced at Tab C.

3. THE BENEFICIARY'S QUALIFICATIONS

Mr. Baranwal holds a Master of Science in Robotics Engineering, conferred May 2026 by Fairmount Lake University, Dearborn Heights, Michigan, and a Bachelor of Technology in Mechatronics Engineering, conferred June 2023 by the Vindhya Institute of Technology, Warangal, India. Diplomas, complete transcripts for both programs, evidence of the Indian institution's recognition, and a credential evaluation prepared by Rendon Academic Evaluations, LLC are enclosed at Tab D. His qualifications match the specialty required by the position exactly.

4. LABOR CONDITION APPLICATION

A Labor Condition Application for this position was certified by the U.S. Department of Labor on March 11, 2026:

Field	Value
ETA case number	I-200-26055-994137
Occupational classification	17-2199 — Engineers, All Other
Job title on LCA	Controls Systems Engineer
Wage level	Level II
Prevailing wage	\$91,270 per year (OES, Ashfield, OH area)
Wage offered	\$104,000 per year
Place of employment listed on LCA	2100 Kesterly Drive, Ashfield, OH 44903
Period of certification	October 1, 2026 – September 30, 2029

The signed certified LCA is enclosed at Tab A. The wage offered exceeds the prevailing wage for the occupational classification and wage level assigned.

5. WORKSITE

Mr. Baranwal will be based at the petitioner's Ashfield, Ohio engineering center. Commissioning work is performed in part at customer plants; the petitioner's current commissioning engagement is with Talleyburn Foods Group, LLC at its Fort Grelling, Indiana facility, under the master services agreement enclosed at Tab E. Mr. Baranwal will report at all times to Ms. Devorah Kinsale, Director of Automation Engineering, an employee of the petitioner.
