LEGAL STANDARD

To establish a bona fide marriage, the petitioner must show by a preponderance of the evidence that the marriage was entered into in good faith and not for the purpose of evading the immigration laws. *Matter of Laureano**, 19 I&N Dec. 1 (BIA 1983). The evidence enclosed — joint financial accounts, a joint tax return, joint insurance designations, a shared residence, photographs spanning nearly three years, and declarations from persons who know the couple — satisfies that standard.

We respectfully request approval of the petition. Please contact this office if any additional documentation would assist in adjudication.

Respectfully submitted,
