DECLARATION OF LARISA MIHAELA DUMITRESCU

Beneficiary of Form I-130 filed by Nathaniel Owusu Brennan

I, Larisa Mihaela Dumitrescu, declare as follows:

1. My name is Larisa Mihaela Dumitrescu. I was born on February 27, 1993 in Sibiu, Romania, and I am a citizen of Romania. I live with my husband at 4172 Harlowe Bend Court, Apt. 3B, Westerville, Ohio 43081. I write and speak English fluently and I have prepared this declaration myself.

2. I came to the United States on August 21, 2019 in F-1 student status to study health informatics. I completed my master's degree in May 2022. I work part-time as a clinical data coordinator for a medical practice in Dublin, Ohio.

MEETING NATHANIEL

3. I met Nathaniel on a Saturday in October 2021 at the Westerville Community Food Center. I had signed up to volunteer because I was new to the area and wanted to meet people outside of school. He was the person showing new volunteers what to do. We worked at the same table that morning and talked for hours. He was patient with my questions and he laughed when I reorganized the entire sorting table, which I admit I did.

4. We kept volunteering on the same shift. He asked me to dinner in January 2022, at a Vietnamese restaurant on Cleveland Avenue. I was nervous and arrived twenty minutes early. We have gone back to that restaurant every January since.

OUR RELATIONSHIP

5. Through 2022 I was finishing my degree and working, and Nathaniel gave me a quiet place to study and a great deal of encouragement. When I travelled to Romania in June 2022 to see my parents, we spoke by video every day, and he met my mother and father for the first time on one of those calls.

6. I met his mother, Adjoa Brennan, and his sister, Efua, in September 2022 in Toledo. His family has been very warm to me. I spent Thanksgiving with them that year and I made *cozonac*, a Romanian sweet bread, which his mother now expects every year.

7. Nathaniel proposed to me on December 27, 2022 at the Franklin Park Conservatory. I did not expect it at all.

OUR MARRIAGE AND OUR LIFE

8. We married on April 12, 2023 at the Franklin County Probate Court in Columbus. Nathaniel's mother, his sister and her husband, his friend Kwame, and my friend Ileana Petrescu were there. My parents watched by video call from Sibiu because they could not obtain visas in time. It was a simple day and it meant a great deal to me.

9. We have lived together since we married. Our first home as a married couple was Nathaniel's apartment at 219 Wexford Mill Lane, Apt. 5C, in Westerville. I moved my belongings there in the week after the wedding. The lease and the utility accounts at that address were in Nathaniel's name because he had rented it since 2020, and the management company told us it was simpler to leave the paperwork as it was until the lease ended. In August 2024 we moved to our current apartment at 4172 Harlowe Bend Court, Apt. 3B, and this time we signed the lease together.

10. We share our money. We opened a joint account at Beacon Ridge Credit Union in June 2023, and we filed our taxes together for 2023. I keep our budget in a spreadsheet and Nathaniel teases me about how detailed it is.

11. Our life is quiet and I am happy in it. We cook together, we visit his mother in Toledo, and on Saturday mornings we are usually still at the food center. We hope to have children in the next few years and we talk about it often.

12. I married Nathaniel because I love him. Our marriage is real. I did not marry him for any immigration benefit, and I would be with him regardless of where we had to live.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed on August 29, 2024, at Westerville, Ohio.
