NOTE ON THE PERIOD BEFORE JUNE 2023

The couple did not hold accounts jointly between the date of their marriage on April 12, 2023 and the opening of the joint accounts on June 2, 2023. During that period they continued to use the individual accounts each had held before the marriage. The health plan enrollment at F-9 and the employer record at F-11 are the earliest documents in this exhibit reflecting the marriage.
