EXHIBIT H — DECLARATIONS OF THIRD PARTIES

Two declarations are included in this exhibit.

H-1 — DECLARATION OF KWAME ADJETEY BOATENG

I, Kwame Adjetey Boateng, declare as follows:

1. My full legal name is Kwame Adjetey Boateng. I was born on August 9, 1988 in Kumasi, Ghana. I reside at 3310 Pennrose Avenue, Columbus, Ohio 43214. I am a lawful permanent resident of the United States and I work as a heating and cooling technician.
2. I have known Nathaniel Brennan since September 2014, when we were both employed by the same building services contractor in Columbus. We have remained close friends since then and we see or speak to each other most weeks.
3. I first met Larisa Dumitrescu in February 2022, when Nathaniel brought her to a birthday gathering at my home. He had told me about her a few weeks earlier. Since that evening I have seen the two of them together regularly — I would estimate at least once or twice a month, and more often in the summer.
4. I know from my own observation that their relationship developed over more than a year before they married. In December 2022, Nathaniel asked me to help him propose to Larisa. I drove with him to the Franklin Park Conservatory on December 27, 2022, waited near the winter light display, and photographed the proposal. That photograph is the one included at G-6 of the photographs exhibit. Larisa was clearly surprised and she cried.
5. I attended their wedding at the Franklin County Probate Court on April 12, 2023, and the lunch afterwards at a restaurant in the Short North. Nathaniel's mother and sister were there, and Larisa's parents watched the ceremony on a video call from Romania.
6. Since the wedding I have visited their home many times, first at their apartment on Wexford Mill Lane and, since August 2024, at their new apartment on Harlowe Bend Court. I helped them move on August 3, 2024, carrying furniture up to the third floor. Their belongings are mixed together throughout the apartment; they share one bedroom and one closet, and Larisa's work materials and her family photographs are all over the living room.
7. In March 2024 the three of us ran a charity 5K together, which is the photograph at G-12.
8. From everything I have seen over the past three years, Nathaniel and Larisa are genuinely married. They argue about ordinary things, they plan their money together, and they talk about having children. I have no doubt that their marriage is real.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed on August 27, 2024, at Columbus, Ohio.

H-2 — DECLARATION OF DOLORES ANN WEATHERBY

I, Dolores Ann Weatherby, state the following:

1. My name is Dolores Ann Weatherby. I live at 219 Wexford Mill Lane, Apt. 5D, Westerville, Ohio 43081.
2. I was the next-door neighbour of Nathaniel Brennan for four years, and I still live in the same building. My apartment shares a wall with the one he lived in.
3. I met Larisa in 2022, when she started coming to the building. After the two of them married in the spring of 2023 she was there every day. I would see them leaving together in the mornings and coming back in the evenings, and I could hear them cooking and talking through the wall most nights.
4. I looked after their mail and their plants for a week in September 2023 while they were away. Both of their names were on the notes they left for me.
5. At the Fourth of July cookout in the courtyard in 2023 I sat with them for most of the afternoon, along with my son Emeka. They behaved like any married couple I have known — she finished his sentences and he complained about her spreadsheets.
6. I was sorry when they moved out in August 2024, though I understand they needed a larger apartment. I still see Larisa when she comes by to visit.
7. In my opinion their marriage is entirely genuine.

Signed on August 26, 2024.
