NOTES

1. The schedule above is the standard week. During the Covenant seasons of Advent-tide and the Forty Days, rehearsal and service hours increase and the Saturday occasional-liturgy block is often fully used; the Assembly does not schedule more than 40 hours in any week.
2. The Assembly's holder of this position has always been enrolled in the Assembly's payroll as a full-time employee at 35 scheduled hours.
3. Weeks containing no wedding or funeral: the Saturday 9:00 – 12:00 block is used for the liturgy of remembrance and its preparation.
4. The beneficiary keeps a weekly time sheet countersigned by the Senior Pastor.
